

Crane Operator

We are seeking a skilled and safety-conscious NCCCO Crane Operator to join our team. The ideal candidate will have a minimum of 5 year's experience. The operator will be responsible for operating an All-Terrain crane and heavy equipment on construction sites, ensuring the safe and efficient movement of materials. This role requires a strong understanding of mechanical operations and the ability to work collaboratively in a fast-paced environment.

Duties

- Operate cranes to lift, move, and position heavy materials on construction sites.
- Perform rigging tasks to secure loads properly before lifting.
- Collaborate with site supervisors and other team members to coordinate lifting operations effectively.
- Conduct pre-operation inspections of equipment to ensure safety and functionality.
- Maintain clear communication with ground personnel using hand signals or radios during lifting operations.
- Follow all safety protocols and regulations to minimize risks on the job site.
- Assist in other construction tasks as needed, including digging, building, and moving materials using forklifts or other heavy equipment.
